John J. Baker

TOWN CLERK, 1891-1894 — 1902-1939, inc.

TOWN TREASURER 1900-1939, inc.

JOHN J. BAKER, distinguished citizen and beloved by all who know him, retires from public office this year, after serving his Town forty years with honor to himself and credit to his community.

He was born the son of John H. and Lovisa (Webster) Baker in the Town of Pembroke, N. H., August 21, 1856. His parents moved to Hudson when he was a child. He was educated in the Hudson schools, Nashua Literary Institute and Pembroke Academy.

In 1876, he became a clerk in the general store conducted by his uncle, Nathan P. Webster. Later, in 1885, he was appointed to the U. S. Railway Mail Service—in 1890 with his brother, the late William W. Baker, he established a general store to be known as Baker Bros. He also served in the capacity of postmaster for several years. He was first elected Town Clerk in 1891, serving for three years. He was again elected in 1902, and has filled the position continually since that time with the exception of one year, making a total service of forty years. He has also served the Town as Treasurer for a period of thirty-nine years.

At this time, we wish for "Uncle John" continued success and many years of good health and happiness.

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Hudson in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Junior High School Auditorium in said Hudson on Tuesday, the 12th day of March, next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see what sum of money the Town will vote to raise and appropriate for the maintenance and improvement of town roads.

4. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Police Department.

5. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Fire Department.

6. To see what sum of money the Town will vote to raise and appropriate for the observance of Memorial Day.

7. To see if the Town will vote to accept numerous bequests as Trust Funds, the income to be used for the perpetual care of the various Cemetery lots.

8. To see if the Town will authorize the Selectmen to accept W. P. A. projects.

9. To see if the Town will authorize the Selectmen to pledge the credit of the Town in anticipation of taxes.

10. To see what action the Town will take relative to the disposal of the Town Hall.

11. To see if the Town will vote to accept a payment of Fifty Dollars (\$50.00) already made by Post #48 American Legion in full discharge of a mortgage in amount of \$350.00 now held by said Town for land and buildings now occupied by said Legion Post and formerly a part of the Melendy property upon petition of Edward J. Daneault and others.

12. To see if the Town will vote to appropriate the sum of \$200.00 to fix the so-called mud hole which is on F. St. extending approximately 300 feet to the residence of Julius Laflamme, upon petition of Julius Laflamme and others.

13. To see if the Town will vote to accept Essex and Hills Streets, said streets situated as follows: Essex street extending northerly from Grand Ave and Hill Street extending east and west parallel with Grand Ave. thence southerly to Grand Ave. and appropriate money to repair and otherwise improve said streets, upon petition of Fred White and others.

14. To see if the Town will establish what will be known as a Recreation Committee in accordance with Chapter #42 of the State Laws of 1926. Said Committee to be composed of the duly elected School Board and two other members who shall be nominated and elected from the floor at the annual Town Meeting, upon petition of Geo. Fuller and others.

15. To see if the Town will vote to adopt the provisions of the Municipal Budget Act, upon petition of Stafford S. Hill and others.

16. To see if the Town will vote to appropriate the sum of Four Hundred Dollars (\$400.00) to complete the Ledge Road so called situated in the north-easterly part of the Town, off the Derry Road, so called. This money to be used to scrape, roll, fill, hot tar and otherwise improve said road, petition of J. A. Paul and others.

17. To transact such other business as may legally come before the meeting.

Given under our hands and seal, this 26th day of
February, in the year of our Lord nineteen hundred and Forty.

OTIS R. CONNELL,
FRED T. GOODWIN,
ARTHUR W. SMITH,

Selectmen of Hudson, N. H.

A true copy of Warrant—Attest:

TOWN ROAD AID

Paid to State of New Hampshire Highway Department \$637.63

For this amount the State contributed approximately \$2,800.00 which was expended on highways in the Town of Hudson.

Town Relief Cases

Henry Cloutier	Anna Harwood
Fred Ford	Ludger Lavoie
Helen Ford	W. G. Ackerman
J. B. Desmarais	Geo. W. Knights
Edward Reynolds	Luther Knights
Ernest Briand	Geo. Matthews
Albert Lavoie	Delina Provincial
Syprian Lucash	Nellie Nutting
William Marsh	Ben Boska
J. C. Robinson	Harold Holt
Andrew Gagnon	Mrs. Cecil Rogers
Chas. Lovely, Jr.	Clarence Zealor
Wilbur Davis	E. J. Fagnant
Blanche Davis	Rose St. Pierre
David Bourque	

Note: As stated in last year's Town Report it is now necessary to keep a permanent record relative to Town relief cases due to the fact that the settlement laws were amended. County cases during the year 1939 were handled entirely by the Milford office of the County Commissioners hence no record will appear in this report.

It should be understood that the persons whose names appear above may not now be on relief but they have had assistance sometime during the year. Incidentally several of the above cases have been transferred to the County, they having resided in Hudson for five years without being self-supporting during that period.

Average cost per family for one year	\$183.06

AUDITORS' REPORT

Hudson, N. H., February 12, 1940

We have this day examined the accounts of the Selectmen of the Town of Hudson and have found them to be correct and properly vouched.

Signed:

C. B. ABBOTT
B. W. SHEPARD

Auditors.

REPORT OF

HEALTH

DEPARTMENT

REPORT OF HEALTH DEPARTMENT

To the Selectmen and Citizens of Hudson:

I have the honor to submit my report for the year ending January 31, 1940.

The town has been very free from reportable contagious diseases the past year. Have only one reportable and suspicious case.

The State Board has ruled that where there is a public water supply within reasonable distance of the homes that flush closets should be installed and all wastes disposed of underground, (i.e. Septic tank, Cess pool, and Sewer System)

I have also received complaints regarding dumping over the Merrimack River Bridge. I am quoting Regulation #3, of the State Board enacted in 1935, "Regulation #3. Dumping of Rubbish into Public Waters Prohibited."

"No rubbish, garbage, discarded implements, machinery or vehicles, or parts thereof, or other soiled waste matter, or any oily or greasy waste shall be dumped, deposited, or placed in any public water, or on the ice, or on the immediate shores or banks thereof so as to be washed, leached, or carried thereinto at times of high water. Provided that this regulation shall apply to any public water whether polluted or not."

Sewerage in the ordinary way is still allowed and such necessary discharge or deposit of manufacturing or lumbering wastes as may not be in violation of law, is still permitted.

I am receiving many requests for a collection system of garbage and rubbish. The only way this can be done is by action at Town Meeting. This had been voted down in the past.

The town dump, in its present location is the cause of complaint from odors and rats. This- has been covered over twice the past year, and we have tried to keep the top clear so that rubbish can be put over the top and dumped to fill. Dumping of garbage is prohibited in town dumps.

We have made several collections of milk for analysis by State Bureau of Hygiene, also water samples, both public and private, placarded one house, inspected Barber Shops and Eating Places.

And am working on toilets, at present time. Have removed several dead dogs and cats from the highways, and checked up on pigs within the mile and a half limit from the bridge.

Respectfully submitted,

KARL E. MERILL, Health Officer.

Halga H. Durivage, Librarian	

TRUSTEES' REPORT

We wish to call the attention of the public to the fact that books not in the possession of our library may often be obtained from the state library. For such service, apply to our librarian.

Several magazines have been regularly received through the kindness of our friends.

A notable gift is a copy of an ancient plan of that part of the old town of Dunstable lying to the east of the Merrimack River, showing some of the original grants made by the proprietors.

This copy was made by the late Hon. Kimball Webster and was presented to the town by his daughter, Mrs. Julia Webster Robinson.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the town of Hudson qualified to vote in district affairs:

You are hereby notified to meet at the Junior High School Auditorium in the said district on the 12th day of March, 1940, at 9:45 o'clock in the forenoon, to act upon articles 1, 2, 3, and 4 of this warrant, and at 3:00 o'clock in the afternoon to act upon the remaining articles in this warrant.

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.
9. To see if the district will authorize the school board to continue its support of the Nursery School and raise and appropriate \$100 for the same.
10. To see if the district will authorize the school board to have the outside of the Webster School building painted and raise and appropriate \$300 for the same.

11. To see if the district will vote to authorize the school board to have a soft coal stoker installed at the Webster School building and raise and appropriate \$560 for the same.

12. To see what action the district will take in regard to landscaping the grounds around the Junior High building and raise and appropriate money for the same.

13. To see if the district will authorize the school board to sell the lot of land located on the west side of the Lowell Road, just below the Frank Winn estate, which belongs to the school district.

14. To see if the School District of Hudson will transport Parochial School pupils to and from the Hudson Bridge as provided by law: section 7-A, chapter 117, public laws as amended by chapter 199, laws 1937. Upon petition of Joseph J. Jeanotte and others.

15. To transact any other business that may legally come before the meeting.

Given under our hands at said Hudson, this 23rd day of February, 1940.

Report of the School Board

The high spot of the past year is found in the opening of our new Junior High School building. The review of the work of the Building Committee appears elsewhere in this report. As a by-product the elementary grades are more properly housed in the Webster building instead of the Portable and the room in the Odd Fellows Building.

Certain things which were not possible within the building budget have seemed so valuable that readjustment of general funds was made to acquire them. We note especially the automatic stoker, the cement floor in the area below the auditorium, the board walk and platforms at the doors of the Junior High School. So much could be done at small expense when the equipment was available that some rough grading was done on the ball field area.

In accordance with action taken at the last Annual Meeting, the Portable building has been made available to the youth organizations of Hudson. Permission to develop a skating rink on the tennis courts was granted. In order to more perfectly care for the safety of the pupils in the Center School, we have had the rear door reestablished and an adequate set of steps provided.

A cover crop was sowed on the grounds of the Junior High School in an attempt to hold the grading subject to further development. Some attention will need to be given to finish grading and establishment of lawns.

We feel that sufficient benefit has been obtained through the installation of automatic stokers at the Center and Junior High buildings so that we recommend a similar installation in the Webster building. The condition of the paint on the exterior of the Webster building is such that we recommend that provision be made for its renewal.

Respectfully submitted,

ROBERT H. HARDY
HERBERT W. CANFIELD
MILDRED M. FULLER

School Board.

REPORT OF THE BUILDING COMMITTEE

The Special Meeting of Hudson School District, held on August 30, 1938, instructed the School Board (Ida Gatz, Robert H. Hardy, Herbert W. Canfield) and Reuben S. Groves, J. Amedee Paul, and Louis L. Spalding to provide a building including a combination auditorium-gymnasium for the Junior High School. This committee was augmented by the election of Mildred Fuller to the School Board at the Annual Meeting in March 1939. A bond issue in the amount of \$46,750. was authorized to make possible the acceptance of \$38,250. of Federal money as a PWA grant.

Having obtained the necessary permission from the Governor and Council to exceed our debt limit, bonds were sold bearing a coupon rate of $2\frac{1}{2}\%$ and bringing a premium amounting to \$789.99. Huddleston and Hersey of Durham were selected as architects. When the bids for construction were in, it was found that the firm of S. Belanger & Son, Inc. of Nashua were the successful bidders. Ground was broken on December 12, 1938.

The building consists of six regular classrooms and a library room on the first floor with provision for office, teachers' room, domestic arts, manual training, toilets and showers, and storage rooms on the ground floor. The boiler room and coal pocket are wholly of non-combustible materials. The auditorium has a large stage and adequate seating space for more than 500 persons. The area below the auditorium was excavated but could not be developed as a part of the project.

The equipment of the building includes new furniture consisting of pupil desks and chairs; teachers' desks and chairs; 400 auditorium chairs, a proscenium curtain for the stage; gas and electric stoves and electric refrigerator for the domestic arts; desks, chairs and files for the office; and furnishings for the teachers' room. Through gifts and the application of general funds there have been added stage curtains; a piano for the stage; an outside flagpole and flag; back-boards for basketball; an automatic stoker for the boiler; and a cement floor for the area below the auditorium so that it might be immediately utilized.

The building was sufficiently complete to allow opening of school in September 1939 although the official dedication took place on November 6, 1939. A copy of the dedication program is appended to this report.

Financial Summary

Receipts:

United States Treasurer	\$38,250.00
Sale of School District Bonds	46,750.00
Premium on Bond issue	789.99
Transferred from General Funds	6.69
	<hr/>
	\$85,796.68

Expenditures:

Preliminary expense	\$ 389.19
Land	4,000.00
Construction	72,902.04
Equipment	2,946.46
Clerk of works	600.00
Legal and administration	289.96
Architect	4,084.65
Interest on bonds	584.38
	<hr/>
	\$85,796.68

We wish to express our appreciation of the fine spirit of cooperation which all those who worked for us have shown. For the earnest attention to details that should insure the suitability of the building and equipment, we thank Supt. Fred W. Hall. We greatly appreciate the contacts which Mrs. Donovan made with persons who have so generously added to our project through their gifts.

Respectfully submitted,

IDA GATZ, Chairman.

ASSESSMENT REQUIRED TO BALANCE SCHOOL BOARD'S BUDGET		\$40,925.00

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Hudson, New Hampshire
February 16, 1940

To the School Board and Citizens of the Town of Hudson:

Following is my tenth annual report as Superintendent of Schools:

Enrollment February 1, 1940:

Grades	1	2	3	4	5	6	7	8	9	Total
Webster School	63	50	49	46	56	43				307
Junior High							47	57	49	153
Hudson Center	10	11	14	7	12	8				62
	73	61	63	53	68	51	47	57	49	522

With the opening of the new Junior High School this fall it was necessary to make an adjustment in the teaching staff and to employ two additional teachers. The teaching staff for the current year is:

Junior High School

Celia Donovan, Principal
Velma Goodspeed
Virginia Dunlap
Ruth Montgomery
M. Patricia deVarennes
Clair Wyman
Bertrand Tardif

Webster School

Barbara Smith, Principal
Martha White grade 6
Barbara Fuller 5
Frances Lucien 4
Jessie Gilbert 3
Margaret Paul 2
Marguerite Knaggs 1
Ethel Hopwood, combination of grades 4, 5, 6
Stella Shaw, overflow of grades 1 and 2

Hudson Center

Florence Parker, grades 4, 5, 6
Rebecca Berry 1, 2, 3

With the opening of the new Junior High School, which cares for grades 7, 8, and 9, there are about 50 less children in the Webster building this year than on previous years. This provides the younger boys and girls with better social and play opportunities.

Junior High School

The new Junior High School opened on September 25th with 153 boys and girls enrolled in grades 7, 8, and 9. The new building seems to have added zest and enthusiasm to the teachers and pupils alike, and it is their active sympathetic cooperation which makes possible the efficient organization and conduct of the school. This school is approved for grades 7, 8, and 9 by the State Board of Education and the courses being offered are the same courses which are being offered in similar schools throughout the state.

Under the efficient leadership of Mrs. Donovan the school started to function with a minimum loss of time and effort. It is through the interest and enthusiasm of Mrs. Donovan, in making known our needs, that citizens of Hudson and other communities have been willing to contribute funds for the stage curtain, the cyclorama curtain, a flag pole and flag for the school grounds, card tables for use in the lunch room, a piano for the auditorium stage, and other pieces of equipment. It is through the interest and cooperation of the Junior High School teachers and the Parent Teacher Association that mural paintings are now being completed on the library walls.

The R. C. A. radio-victrola, which was won by the Stick-To-It 4-H Club, in the National Civic Service contest in 1935, has been loaned to the Junior High School for the current school year and is being used for music appreciation.

In addition to the regular curriculum each teacher supervises one or more clubs which meet each week. Each pupil is required to belong to one of these clubs. This club work is not as effective as it could be because of the lack of leaders. Volunteer leaders would be much appreciated.

The double class room, or small auditorium on the ground floor, has been found very convenient for club meetings, Physical Education and music. This room is of sufficient size to provide for the entire school. This room also provides an excellent meeting place for the Parent Teacher Association. The Parent Teacher Association is actively interested in helping to provide some of the athletic facilities, for the boys and girls, which are not provided for in the regular budget.

The Junior High School has not been utilized to any great extent as yet by community organizations. The Hudson firemen used the auditorium for a very successful annual ball. The Hudson P. T. A. held a successful whist party in the auditorium with 49 tables. The symphony orchestra is using the small auditorium for their weekly rehearsals. The community church basketball team and the Hudson athletic association are using the auditorium for their weekly practice. Weekly dancing classes are held in the auditorium for Junior High pupils each Friday afternoon. A University of New Hampshire extension course in leadership training is now being conducted once each month.

The Junior High school building is well located, off the main highways, with ample parking space and it should more and more become the community center of the town.

PROGRAM OF STUDIES
HUDSON JUNIOR HIGH SCHOOL

School Year 1939-40

Grade 7

Required	Periods

Note 1: Pupils entering grade 7 who are deficient in the fundamentals will be required to enter drill groups according to the recommendations of the circular on the Fundamentals.

Note 2: Pupils in grades 7, 8, and 9 deficient in English will be required to devote at least two periods per week to remedial English.

Webster School

In the reorganization at the Webster building the first three grades are now located on the first floor with the fourth room used as the overflow of these grades. Grades 4, 5, and 6 are located on the second floor with the fourth room as overflow of these grades and the front room used as a special help and remedial reading room. Thus all of the room in the Webster school is fully utilized.

Starting the first of February all of the schools have been provided with oranges, apples, peaches, raisins, and other food commodities by the Federal Surplus Commodities Association. We have had a sufficient quantity of these products so that each child receives an apple and an orange, or the equivalent, each day.

The W. P. A. Nursery School is still being conducted at the Grange Hall. At the present time all expenses, other than the salary of the teachers, has to be provided by local contributions. This school serves two purposes. First, it gives opportunity for

excellent training in group cooperation and routine to the children under school age and, second, it provides employment for three or four individuals who are in need of work. It is hoped that this training may be continued.

ROLL OF PERFECT ATTENDANCE

Webster

- Grade 1—Gloria Prince
- Grade 2—Edward Lampron, Ruth Waiswilos
- Grade 3—Irving Alexander, June Lampron, Roland Briand
- Grade 4—Gladys Berard
- Grade 5—Rachel Boucher, Helen Keith, Edward Hardy,
Theresa St. Laurent, Victoria Simo.
- Grade 6—June Tate
- Grade 7—Frank Wilson, William Worth, Stella Jatkwicz.
- Grade 8—Janet St. Laurent, Mary Golfinos, Thelma McCoy.

Hudson Center

- Grade 1—Marilyn Whitney.
- Grade 6—Donna Smith, John Smith.

Respectfully submitted,

FRED W. HALL, **Superintendent.**

REPORT OF THE SCHOOL NURSE

February 14, 1940

To the Superintendent, School Board, and Citizens of Hudson,
I submit my report as School Nurse from February 1939 to
February 1940.

Number of Children examined	530		
Number with defective teeth	211	74	corrected
Number with defective tonsils	23	14	corrected
Number with defective vision	16	11	corrected
Number with defective hearing	5		

Number with defective cardiac	5		
Number with defective orthopedic	3		
Number with defective speech	4		
Unvaccinated	5	Corrected	4
		1 examined by physician	
Children taken to Clinics			
Dental clinic	179		
Guidance clinic	7		
T. B. Clinic	15		

Our regular dental clinic is held on Thursday mornings through the school year as usual.

In October Dr. Robert Kerr, assisted by Mrs. Irene Birchall, held an all day clinic at each of the schools. Ninety children had chest examinations. Fifty-eight in the Junior High were skin tested. Those reacting to the test were later X-rayed and examined physically with the parents in attendance.

Cod liver oil is continued at the Webster and Hudson Center Schools. This was made possible by donations from parents and Teachers Organizations. At present we are having fruit in all the schools from the surplus commodities, which will be an asset to the children's health.

The continuance of the hot lunch, which is prepared at the Junior High and sent to the Webster School for those desiring it, proves helpful to children staying at noon.

The many athletic activities at the Junior High will certainly develop the physical, mental, and social qualities of the boys and girls. The splendid cooperation of teachers and parents help greatly to promote a health program, and it is greatly appreciated.

Respectfully submitted,

HELEN J. HOUSE, R. N.

School Nurse

VITAL STATISTICS

VITAL STATISTICS

BIRTHS REGISTERED IN THE TOWN OF HUDSON, N. H., FOR THE YEAR ENDING DECEMBER 31, 1939

Date of Birth	Name of the Child	Sex	No. of Child	Name of Father	Maiden Name of Mother	Occupation of Father	Birthplace of Father	Birthplace of Mother
